

Rhythm GROVER

LAST UPDATED ON: 16 July 2023

PERSONAL DATA

ADDRESS: CCC Building, 2nd floor, Mehta Family School of Data Science and Artificial Intelligence,
India Institute of Technology Guwahati, Guwahati, Assam - 781039, India
PHONE: +91 361 258 3503
EMAIL: rhythmgrover@iitg.ac.in

ACADEMIC POSITIONS

AUG 2021 - PRESENT	Assistant Professor Mehta Family School of Data Science and Artificial Intelligence, IIT Guwahati, India.
NOV 2020 - AUG 2021	Post Doctoral Fellow Theoretical Statistics and Mathematics Unit, Indian Statistical Institute Delhi, India.
FEB 2020 - MAY 2020	Project Scientist Indian Institute of Technology, Kanpur, India.

EDUCATION

SEPT 2019	Doctor of Philosophy in STATISTICS, Indian Institute of Technology, Kanpur, India. ADVISORS: Prof. Debasis KUNDU & Prof. Amit MITRA
JULY 2014	Master of Science in STATISTICS, Indian Institute of Technology, Kanpur, India.
JULY 2012	Undergraduate Degree in STATISTICS, Sri Venkateswara College, University of Delhi, India.

RESEARCH INTERESTS

Statistical signal processing
Non-linear regression
Statistical Computing

PUBLICATIONS

2023

PH.D. SUPERVISION

2022 - Present Avantika Sahu

TEACHING AND MENTORING EXPERIENCE

Indian Institute of Technology Guwahati

JUL. 2023 DA 241 Statistical Foundations for Data Science
JAN. 2023 DA244 Applied Probability and Random Processes
JUL. 2022 DA 241 Statistical Foundations for Data Science
JAN. 2022 DA 546 Introduction to Statistical Learning

Indian Institute of Technology Kanpur

2019 Graduate Mentor
Guided two undergraduate students for a project in non-linear regression.

2015-2018 Teaching Assistant
Courses: Probability and Statistics, Statistical Inference, Non-linear Regression, Time Series Analysis
Discussed assignments and graded exams.

2016 Tutor
Probability and Statistics
Discussed weekly assignments with a class of more than 100 undergraduate students and graded their quizzes and exams.

TALKS/CONFERENCES/SEMINARS

- JUN. 2023 Presented on “Stochastic modeling of nearly periodic signals” in the the Probability for the NLP-ML-AI Lecture Series,CFILT, IIT Bombay, Bombay, India.
- APR. 2023 Presented on “Modeling periodic signals: a statistical perspective” in the reading group seminar of Mehta Family School of Data Science and Artificial Intelligence, IIT Guwahati, Guwahati, Assam, India.
- MAR. 2021 Presented on “A novel model and its parameter estimation” in the Theoretical Mathematics and Statistics Unit at Indian Statistical Institute Delhi, Delhi, India.
- SEP. 2018 Presented on “Chirp-like signal model and its parameter estimation” at IEEE international conference on computing, power and communication Technologies, Radisson Blu Hotel, Greater Noida, Uttar Pradesh, India.
- JAN. 2018 Presented on “Two-dimensional chirp signal model” at Open House’18, Department of Mathematics and Statistics, Indian Institute of Technology Kanpur.
- MAR. 2016 Presented on “Parameter estimation of a chirp signal model” at National conference on recent statistical computing techniques and their applications, Ramanujan College, University of Delhi, Delhi, India.
- JAN. 2016 Presented on “Chirp model, its applications and parameter estimation” at Open House’16, Department of Mathematics and Statistics, Indian Institute of Technology Kanpur.

OUTREACH

- JUN. 2023 Co-organizer, Summer School for Women in Mathematics and Statistics, International Centre for Theoretical Sciences, Tata Institute of Fundamental Research, Bangalore, India.
- JUN. 2022 Resource Person, Summer School for Women in Mathematics and Statistics, International Centre for Theoretical Sciences, Tata Institute of Fundamental Research, Bangalore, India.
